## We have new play equipment!

We are very pleased to tell you that the play equipment was installed back in June despite a short delay due to

Covid-19. The installers, Playdale Playgrounds Ltd have been brilliant throughout, helping to design and replace the worn out equipment. The children who have returned to the school have reported it to be "really good" and are said to be thrilled with it. Of course, this wouldn't have happened without your support. So from FoS, a big thank you if you have bought raffle tickets, bought a Xmas DVD or just been there at one of our events in the last few years. Your support is really appreciated.

## Impact of COVID-19

Due to COVID-19, Friends of School haven't been able to hold any fundraising events and now, more than ever, we need your support.

## Summer event

Got some coins and small change rattling around your pockets or hidden down your sofa?
